Amedei - 29 Via San Gervasio, La Rotta (Pontedera), Pisa - T. +39 0587 484849

Tuscan chocolatier Amedei celebrates Italy's gastronomic heritage. When Cecilia and Alessio Tessieri embarked on chocolate making in the late 80s, their mission was clear, to create the finest chocolate in the world and if their track record is anything to go by, they have quite possibly achieved it. For the past three consecutive years she and her brother have been honored with the Academy of Chocolate's Golden Bean award for their sublime chocolate, made from the finest beans from South America and the Caribbean.
